

## **Grade 5-8 District Math Assessments**

**December 2015**

**Suggested Time: 90 Minutes**

### **Multiple Choice**

**Instructions:** The multiple choice section will be done on Scantron sheets. Please use a soft lead pencil (HB) to record your answers.

**Be careful that you are shading in the appropriate bubble for the matching question on your Scantron sheet.**

**You may do rough work in the booklet. There is no need to return the Multiple Choice Booklet, just the Scantron sheet for this section.**

### **Constructed Response**

**Students are asked to record their answers in this booklet. This booklet is to be returned along with the Scantron form used for Multiple Choice.**

**Calculators are permitted. (Except for Grade 5 Basic Facts section)**

**Exemptions: Students who are on IEP/PLP's and are currently not exposed to any of the Math Curriculum at their Grade Level, can be exempt from writing**
