

**Congratulations on qualifying to the North-West New Brunswick Regional Fair!**

**How to Register and Submit a Project  
North-West New Brunswick Regional Science Fair**

**Important Dates**

**Registration: March 26 – April 8, 2021**

**Awards Announcement: April 15, 2021**

**Step 1 – Begin Registration on Regional Website**

Go to the North-West New Brunswick Regional Science Fair Registration Website  
<https://youthscience.ca/north-west-new-brunswick/>

Click "Registration" on the Top

Enter your email (this must be the same email you used to set up your project on ProjectBoard for the District Fair so that you will be able to link it).

**Have a project partner?** Both must register and link your project on ProjectBoard following the below instructions.

**Registration**

Begin your registration to the North-West New Brunswick Regional Science Fair here!  
Students who qualified from the ASD-North and ASD-West District Fairs, home school or private schools are to register using this form.  
For those who have set up your project on ProjectBoard previously (ie: district fair), please use the same email and user name here to link to your ProjectBoard account where you will select the project you want to submit.

**Important!**  
**Use same email you used  
to for your  
ProjectBoard Account**

Check you email Inbox for an email from Youth Science Canada with a Link to the registration form.

REMEMBER! Write down your username, email address and password. You will need this anytime you return to login to the registration portal (Step 2).

**Complete all fields**

Region - North-West New Brunswick

Must click both boxes to proceed.

If under 13, parent info required.

## Step 2: Registration Portal **TIP! Bookmark this website**

You will be automatically taken to the YSC (Youth Science Canada) portal for registration with your Regional Fair. You have several sections to complete as seen below to finalize your Regional Fair registration. Bookmark this so you can easily find it again.

<https://portal.youthscience.ca>

Complete all forms in this section by April 8!

Complete all fields in this section.

Already, have a project on ProjectBoard, click "My ProjectBoard Workspace" to login into your ProjectBoard account.

Select the project you want to submit once you have made your edits.

Make sure that your project is in "public" mode first.

Watch the "Submitting your project to a Regional Science Fair" Youtube video for detail instructions.

## Step 3: Student Registration Video -Submitting your project to a Regional Science Fair **IMPORTANT to WATCH!**

After creating an account on YSC-South-East New Brunswick Regional Science Fair Registration Website (step 1&2) and you have created your final project on ProjectBoard, this video will guide you through the process of submitting your project to your virtual regional science fair.
