

ASD-N STEM LEAGUE WEEK #4

The Gaia Project partnered with EcoSchools Canada to challenge you to as many actions as you can over the course of one week! Each action is worth 2 points and contributes to Eco Schools certification! Lets see what you can do!

Challenge #1

Great Gulp

As a class take a synchronized gulp of water (from a reusable container) and discuss the importance of reducing single-use plastics!

Challenge #2

WWF National Sweater

Day

Turn down the heat and put on your coziest sweater to show the importance of saving energy

Challenge #3

GOOS Paper

Create a GOOS (Good On One Side) paper bin to reduce waste in your classroom!

Challenge #4

Earth Hour

Switch off your lights for one hour during the day to raise awareness about energy efficiency and conservation.

ASD-N Cross-Curricular

Challenge #5

Take Me Outside Day

Spend at least one hour outside with your class to engage with school grounds and natural areas
